		□Underslab Mechanical			
	Provide three sets of signed	and sealed drawings for all the	ose disciplines you wish to construct.		
Applicant's Certifica	ation:				
As the owner or the authorized agent of the project for which this application is filed, I certify that:  The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from the local municipality.  This project will be constructed in accordance with the approved drawings and specifications (including any required non-design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401-405.  Any changes to the approved documents will be filed with Associated Building Inspections LLC and the local municipality.  When required, up to 20% of the total cost of any work performed on any area of primary function in an existing building will be expended to provide an accessible route to the area of primary function.  No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in 34 PA Code Chapters 401-405 of the Pennsylvania Uniform Construction Code.
