

BUILDING DEMOLITION DISCLOSURE FORM

In addition to the Application for Building Permit when demolition waste is a factor this document is required on submission.

**Associated Building Inspections, Inc.
1248 West Main Street Suite 23
Ephrata, PA 17522**

Construction and demolition waste. All waste materials resulting from the building, structural alteration, repair, construction or demolition of buildings or structures shall be disposed of as permitted by applicable municipal, state and federal laws and regulations as may be in effect or as subsequently imposed. It shall be the responsibility of the property owner to ensure the disposal of such waste in accordance with applicable laws and regulations. Nothing contained herein shall be deemed to prohibit any person not regularly engaged in the business of collecting municipal solid waste from hauling his/her construction and demolition waste to a state-permitted disposal facility or to a disposal facility as designated by the municipality in accordance with the regulations of the disposal facility. A federal asbestos site assessment is mandatory.
