

Application for In-Home Day Care Permit

This application must be filled out (except for the blocks labeled For ABI Use Only) completely to obtain approval to utilize a residential dwelling unit for child day care services provided for less than 24 hours, for 4 to 12 children. The dwelling unit must be used primarily as a private residence, and the provision of day care services must be secondary to the use of the dwelling unit as a residence. *A UCC approval does not constitute compliance with the licensure requirements enforced by the Pennsylvania Department of Public Welfare.*
